BOP Athletics 2017

Event Information

Entry Restrictions:

Individual athletes may be entered in a maximum of 4 events plus the relay. An athlete can run a maximum of 2 events over 200m. Junior athletes are restricted to 2 of the 3 sprint races.

Events for Para Athletes:

Events for Para Athletes: 100, 200, 400, Shotput, Discus, Javelin, High Jump and Long Jump. For field events these athletes will compete with their age group using the appropriate PA weight. Results will be collated at the end of the day.

Age Groups:

As at 1st January 2017: (athletes with their birthday on the 1st are in the younger age group).

Juniors	Under 14 years
Intermediate	Under 16 years
Senior	Under 19 years

Conditions of Entry:

Schools may enter three competitors in each event. An athlete may be entered for a maximum of 4 events plus the relay. An athlete can run a maximum of 2 track events over 200 metres. Junior athletes are restricted to 2 of the 3 sprint races.

All athletes must wear correct school sports uniform. All students should be wearing school colours. This helps our announcer.

Warming Up:

All warming up must be done on the grass area outside the Main Track area.

First Aid:

It is strongly recommended that all athletes wear some type of footwear on the track to prevent blisters. Schools are to bring their own icepacks for injuries. School first aid kits should be made available for minor injuries for their own students. No St John's on site but there will be medical help at the Taupo schools' tent and for anything serious an ambulance will be called.

Spike lengths: On all weather tracks (Hamilton and Tauranga) spikes must not be more than 6mm in length except for High Jump/Javelin where they may be 9mm

Starts: A crouch start must be used for events up to and including the 400m. On all weather tracks starting blocks must be used for 100m, 200m, 400m and Hurdle races. They are optional on grass tracks. Assistance will be given to athletes using starting blocks for the first time. AWD athletes may use a standing start if their disability makes a crouch start difficult.

Hurdles and 300/400m: 70m, 80m, 100m, 110m and 300m Hurdles events as well as the 300m and 400m events will all be held as timed finals. (ie no heats). The marshals will seed the athletes as much as possible.

Officials (staff): All schools have now been allocated events to officiate. We have provided the recommended number of staff, however if you wish to have a break or support your athletes, I would advise you add another adult official to your crew.

Team Manager: Each school is to nominate a Team Manager who is not to be an Official.

Food: Coffee Truck-light refreshments food for competitors and supporters will be available. Coffee Truck
Officials and team manager will be provided with morning tea and lunch.

Qualifying Process: The first 3 place getters will qualify for the Waikato BOP Championships.

If an athlete does not finish in the top 3 but is of a suitable standard to compete at the Waikato/BOP Champs and all 3 qualifying spots are not filled, they may be entered. Contact Christine Sport Waikato if you are unsure.

Waikato Bay of Plenty Secondary Schools Track & Field Championships:

Saturday **25 March 2017 Porritt Stadium Hamilton.** Names of any qualifying athletes unable to represent Central Zone at the Waikato Secondary School Championship and nominations of athletes who didn't compete at the zones (eg. injured, sick or event not staged) must be handed in to the results coordinator by the conclusion of the day's event.

Schools with athletes who did not qualify but wish to compete at the WBOP Championships may contact other schools to see if there has been a withdrawal that would enable them to compete.

WAIKATO BAY OF PLENTY SECONDARY SCHOOLS' ATHLETICS ASSOCIATION INSTRUCTIONS TO COMPETITORS

1. This meeting is conducted under the rules of the Athletics New Zealand
2. **Dress:** Competitors must compete in their school's correct athletic uniform. On all weather tracks (Hamilton and Tauranga) spikes must not be more than 6mm in length except for High Jump/Javelin where they maybe 9mm.
3. **Starting:** A crouch start must be used for events up to and including the 400m. On all weather tracks starting blocks must be used for 100m, 200m, 400m and Hurdle races. They are optional on grass tracks but will be available on the day. Assistance will be given to athletes using starting blocks for the first time. AWD athletes may use a standing start if their disability makes a crouch start difficult.

The starter will give one command 'on your marks' for all events over 400m and two commands for all events up to and including the 400m

- a) 'On your marks' to bring competitors to their starting location.
 - b) 'Set' to bring all competitors to the set position ready to start. When all competitors are steady in the set position the gun will be fired. Any competitor who false starts will be disqualified unless the starter determines it was not the athletes fault. Athletes may run 'under protest' and have their disqualification reviewed by the Referee whose decision will be final
4. **Withdrawing from a Final:** Anyone who qualifies for a final and then does not compete may be ineligible for any further competition if the Referee determines there was no reasonable explanation for the failure to compete. This rule shall also apply to anyone withdrawing whilst a race is in progress or not making a genuine attempt.
 5. **Staying in your lane:** Competitors in track events, up to and including 400m, must stay in their lane at the end of the race until dismissed by the Chief Judge. You must run between the lines not on the lines - this includes relays. Competitors must stay in their lane for the first curve of the 800m.
 6. **Marshalling:** Competitors must report to the Marshals 10 minutes before the start of the event. Failure to do this may result in disqualification.
 7. **Progression to finals:**
 - 4 heats – first 1 in each heat and the next 4 fastest qualify
 - 3 heats – first 2 in each heat and the next 2 fastest qualify
 - 2 heats - first 3 in each heat and the next 2 fastest qualify

8. **Protests:** All protests shall be in writing and shall be handed to Julie Adamson Sport Bay of plenty within 30 minutes of the completion of the event.
9. **Track events take precedence over field events:** Report to the field event officials first and compete if possible and then go to the track event 10 minutes before start time. Athletes may rejoin the field event after track event although not necessarily in the round or height they were up to.
10. **Timed Finals:** 300m/400m and all hurdle events will be timed finals
11. **Event times:** The organisers will make every effort to carry through the programme in the order and at the times stated but reserve the right, should the necessity arise, to make any alterations.
12. **Non Availability:** Managers indicate in writing an athletes non-availability for the Waikato BOP SS Championships to the Results Coordinator by the conclusion of the day's events.
13. **Entry restrictions:** An athlete may be entered in a maximum of 4 events plus the relay. They can only run a maximum of 2 events over 200m. Junior athletes are restricted to 2 of the 3 sprint events.
14. **Hammer, Pole Vault, Walks, Hurdles and Steeple Chase events:** These may not be held at the zone meet. Managers must indicate in writing any athletes who wish to compete at the Waikato BOP SS Championships to the Results Coordinator by the conclusion of the day's events.
15. **Events for Para Athletes:** 100, 200, 400, Shot put, Discus, Javelin, High Jump and Long Jump. For field events these athletes will compete with their age group using the appropriate PA weight in the throws. Results will be collated at the end of the day.
16. **Qualifying for WBOPSS Championships:** Central Zone (Central Zones 1 and 2 combined): The first 6 final places in this zone qualify for the Waikato/Bay of Plenty Secondary School Athletics championships. All other zones: the first 3 final places in these zones qualify for the Waikato/Bay of Plenty Secondary School Athletics championships
