THE GAME

LET'S KEEP SPORT FUN!

A mother was making scrambled eggs for breakfast. Suddenly, her daughter bursts into the kitchen.

"WHAT ARE YOU DOING?" Crack the eggs with one hand, not two! That's too many eggs. Quick get them in the pan, the pan is not hot enough right now. Turn them! Turn them now! I've told you this before, TURN THEM NOW! CAREFUL! Remember how I showed you how to salt them? Why aren't you doing it like I showed you? That is TOO MUCH salt!"

The mother stared at her daughter. *"What is wrong with you? You think I don't know how to scramble eggs?"* The daughter calmly replied *"I just wanted to show you what it feels like when I am trying to play..."*

Our tamariki and rangatahi have enough to think about when they are playing, and coaches to help them when they need it. So, just let them play!
