Investment in projects/ initiatives which meet the needs of young people (12-18 years)		
Investment in innovative approaches to getting girls and young women (10-18 years) participating in activities and sport that meet their needs		
Investment/support for out of curriculum initiatives		
Investment in initiatives that Focus on the importance of quality experiences utilising The Sport NZ Three Approaches.		

Tier 2

Outcome/Priority	Will your project impact this objective? Yes/No	If applicable, how so?
Skilled Deliverers - Ensuring there is a network of capable and experienced people working at the coalface who are delivering quality sporting experiences for young people (e.g. volunteers, coaches, officials, teachers, sport		

coordinators, event organisers). These people need to be supported through quality development opportunities.		
<b>Fundamental Skill Development - Providing a learning environment where young people develop fundamental sport skills so they have the right building blocks to play sport for life. Projects that are for the purpose of developing fundamental skills must not duplicate but complement the GO4it programme.</b>		
<b>Quality Competitions/Events - Provision of quality sporting opportunities for all young people (competitive and social) across the entire Bay of Plenty to ensure all young people have the opportunity to participate at the level of ability or level of interest. This includes more affordable quality local delivery of competitions.</b>		

13. If applicable please describe how your project contributes to or adopts the following operating principles (please note that applicants **DO NOT** need to achieve all of these however **collaboration with other partners is mandatory**)

Operating Principal	Description	Applicable to your Project? Yes/No	If applicable, how so?
<b>Reduces Inequalities, Enabling Sport to happen</b>	Supporting the areas of greatest need; specifically low decile schools, and those that are disadvantaged. There is a need to reduce/subsidise costs of playing sport including travel, registration at events, equipment, fees, travel, facility hire and purchase of new uniforms for teams where there is evidence of an increase in participation numbers.		
<b>Fundamental Skill Development /Physical Literacy Approach</b>	Activities that provide, promote or deliver a learning environment where young people can develop fundamental sport skills so they have the right building blocks to play sport for life. Projects that are for the purpose of developing fundamental skills must not duplicate but complement the GO4it programme.		
<b>Locally Led Approach</b>	Providing opportunities for participants that originate from within the community. In order to build capability within each area of our region it is critical that services and activities can be delivered (where applicable) by somebody from within the region/sub region.		
<b>Insights Approach/</b>	Applicants are able to provide insights into their projects, demonstrating clear need within their communities. These insights can be gathered from
